

Hello Red-tailed Hawks Families!

What a fun month we've had in the Red-tailed Hawks! Our overnight was a great success! The students all did great and love the classes. Thank you again to our parents, Mr. Matt (John's dad), Ms. Kimberly, Ms. Holly, and Miss Chasa, (Hazel, Nathan and Echo's moms), Ms. Vanya for taking care of our pizza and our Scorpions Parents, Ms. Erin, Ms. Karen, Ms. Ceci and Ms. Janelle.

Our hikes have been going great as well. This is a wonderful time of year to be outside, and a great way to get our exercise. We have one more hike on Thursday, March 7th (to make up for our postponed hike), so please be sure to remind your student to bring their water bottle or hydration pack and appropriate clothes that day. While the other hikes were in the afternoon, this final hike will be in the morning, so please make sure your student is on time that day.

We are only one week away from spring break! If your family will be traveling beyond the week and your student will miss school, please let me know, as I can plan lessons around missed days. Some of the things that we are working on in class right now are area and perimeter of different polygons, uncommon denominator fractions, biographies, land and water forms and word problems. We also have several stories in various stages of editing.

In the coming weeks, the students will decide on a play or movie topic and we will begin creating a script. When we return from spring break we will have auditions and begin rehearsals. Our 3rd year students will also begin preparing for state testing which takes place in early April. We will also begin discussing the end of year trip. More information will be coming home soon. Our classroom meeting on Tuesday, March 19th, will focus on this trip, so please plan attending, so that we can answer any questions you may have.

Have a wonderful spring break!

In peace and appreciation,
Mrs. Amie
