OCTOBER 27, 2023

It's already November.

Gardening has been on our minds and we cannot wait for our seeds to sprout. We have planted spinach and kale, beets, radishes, and carrots. They are accompanied by sunflowers and marigolds.

Inside the classroom, we are all needing lessons or reminders for proper table manners at snack time and during lunch. Check-ins and reminders from home are appreciated.

The Scorpion's would like to thank Ms. Holly for being our official Library Assistant.

Kind regards,

Ms. Stephanie and Ms. Liz
