

Scorpions

SEPTEMBER 29, 2023

Happy October!

Please remember to sign-up for classroom observations and conferences. Remember: one (1) observation and conference per child.

Scorpions will begin October with planting related activities. Please contact me if you can contribute soil, your time or expertise to our planting endeavors. Your support for this experience is greatly appreciated.

Each child needs to bring an H-8 (5mm) crochet hook, labelled with their name, the week of October 9th.

October 14th will be the annular solar eclipse. As Arizona is along the path of maximum eclipse, we will be celebrating this amazing celestial event with various explorations in the class.

We hope you have a safe and wonderful Fall Break.

Kind regards,

Ms. Stephanie and Ms. Liz

Please email me if you are able to donate potting soil--it would be greatly appreciated.

Each child needs to bring in an H-8 (5mm) crochet hook, labelled with their name, after Fall Break.

UPDATE

As I mentioned, so many weeks ago in our first class meeting, here is a link to the parent/guardian/caregiver survey. Please complete it as soon as you can. It will help us build a resource base to support the interests of the children.

As always, thank you for your time and support.
