

Scorpions

MARCH 1, 2024

What an eventful month we've had in Scorpions class!

Our overnight was a great success! The students all did great and enjoyed the classes. We would like to thank our class teachers: Ms. Erin and Ms. Karen (Optics and Illusions), Ms. Ceci and Ms. Janelle (Getting Crafty), Mr. Matt (It's Money Time), and Ms. Kimberly, Ms. Holly and Ms. Chasa (Cooking). We would also like to thank Ms. Vanya for taking care of our pizza.

We are only one week away from Spring Break! Some families may be traveling outside of the Spring Break calendar and are planning to have your student(s) miss school. Please let me know if this is the case for your family, so I may plan lessons accordingly.

Our 3rd year students will begin preparing for state testing, which will take place in early April. Soon, we will also start talking about our end of year trip. Please keep an eye peeled for information coming home.

The first and third weeks of March Mr. Stefan will be in the classroom. I have on campus professional development to attend.

Kind regards,

Ms. Stephanie and Ms. Liz
