JANUARY 5, 2024

Happy New Year!

It has been wonderful welcoming everyone back and hearing about the holiday break.

December was a very busy, and short, month. The photos that follow will provide a glimpse of our activities, including harvesting kale and beets, biography presentations, work with polygons, lines and angles, just to name a few.

The children have been brainstorming ideas for their potluck event in February. Our next few weeks (23 school days and counting!) will see us working a lot with our projects.

We hope your new year will be filled with wonderful, unexpected blessing.

Kind regards,

Ms. Stephanie and Ms. Liz.
