

Toddlers - Agaves

November '23

Excited about Fall

October/November in the Agaves

In October, we welcomed our newest community member, Julian Posner and his family to the Agaves Community!

One of our oldest friends, Lilly, was excited to visit Ms. Yoo-Kyung and the Saguaros in October as well. Lilly has been excited to share about her experience in Children's House over the last week and she will be moving up to her new environment soon! We are so happy for Lilly to start her Children's House adventure and excited for all the things she will learn in the Saguaros. Goodbye for now to Lilly, and a Big thank you to Mr. Wyatt for all your Key Parent work!

The toddlers enjoyed focusing on Fall. We baked pumpkin bread, planted herbs and flowers, scrubbed pumpkins, and talked about the weather. And we look forward to continuing to learn about the weather, holiday traditions, plants and foods of the season in November. We have a dentist coming to visit our room on Halloween next week! We will be talking about how to keep our teeth healthy to start off a new theme of self-care routines that we can do to help take care of our bodies and stay healthy.

Important Events:

FALL FESTIVAL! We look forward to seeing you all at the Fall Festival on Saturday, November 11th.

We cannot thank our families and especially our Key Parents enough for making our art projects and raffle baskets beautiful and continuing to give our Agaves all your support. Ms. Holly, Mr. Wyatt, Ms. Katie, we appreciate you!

***Please remember to give our Agaves staff a heads-up at drop off if your child has peanuts or tree nuts in their lunch. This helps us keep everyone safe through our seating plan at lunchtime. Thank you!**

Root Vegetables & Baking

Our November Treats

The children LOVED eating fresh spinach and making our green smoothie every Wednesday in October. We are going to bring fresh spinach over to November as well and we will add root veggies to our snack menu!

We will learn to name different root vegetables and taste them in our snack all month! Yum!

We will also taste varieties of apples and bake apple pie and other treats!

Moments from October

October Pictures

Pictures: Scrubbing Pumpkins; Helping to sift the soil to get ready to plant herbs and flowers outside; Visiting with Ms. Amie's Dog, Scout; Finishing up the last touches for our fall project – handprints!
