

Hello families!

We have had a full month and welcomed another new student to our classroom! Murphy and the Henderson family have joined the Agaves, and your toddlers are welcoming her and sharing their classroom routines.

Our oldest friend, Mai, turned Three in November and began her visits to Children's House this week. We are happy to hear her stories from her new home in the Palos Verdes and excited for everything that she will learn and experience in Children's House.

In November, the children enjoyed reading some new favorite books about self care following our Dentists' visit on Halloween. The children are enjoying using the giraffe replica to show how they use a toothbrush and reading some of the new favorites on the shelf. We learned about and tasted different varieties of apples as well, and we look forward to having more apple treats as we prepare and taste apple butter with our snack in December!

To help prepare for the holiday, we practice saying, "Thank you", and read some favorites, *The Thank You Book*, and , *Bear Says Thanks*, as well as practiced with our thanksgiving themed word books and foods language cards.

We know you enjoyed seeing your kiddos' fall-themes art projects. And we are gearing up to focus on the winter season!

Thank you to our library parent, Ms. Holly, for gathering diverse holiday books. If any of you have a favorite tradition or holiday book that you would like to share with the class,

Agaves December Newsletter 2023

please feel free to lend your favorites to our story time! Or you might provide a picture of your favorite tradition with a sentence or two that we can share in circle.

We want to give a heartfelt THANK YOU to our families for all of your support and making the Fall Festival a success! What a successful fundraiser. Our Keystone community is amazing and we feel the love and support! An extra special thank you goes out to our Key Parents Ms. Holly, Mr. Wyatt, and Ms. Katie for all their work preparing our fall festival baskets and organizing the Agaves' art project! You made it all possible and we appreciate you!

Looking forward to December!

The Agaves
