

# Agaves

October '23

## Have a Wonderful Fall Break! *September/October in the Agaves*

In September, we welcomed one new Agave to our environment, Camilo, and welcomed the Bohlt Family back to the Agaves community.

Our oldest friend, Daisy, will turn 3 over Fall Break and is ready to move up to her new Children's House home with Ms. Imelda and the Palo Verdes! We will miss Daisy so much, and we are excited for all the things she will learn and experience in the Children's House.

We enjoyed focusing on our theme of family and appreciate all the book donations, and family and pet pictures that we got to see. The Agaves learned about different generations, family relations, different family and class pets and breeds of dogs. We also learned a bit more about our "Keystone Family"! We learned names of many adults that we visit who have pets to see in different rooms around campus.

We loved seeing all our families at the park for the Agaves potluck on the 26<sup>th</sup>! Thank you to our Key Parents again for organizing this event!

### *Looking forward:*

Fall is our main October theme. As we enjoy the beginning of fall, we look forward to opening more outdoor works in the beautiful weather. We will be planting some herbs that the children will learn to take care of and learn more about the plants, animal, weather, clothing and foods of the fall season.

**Important Events: Parent/Teacher Conferences.** A sign-up calendar will be posted on Monday, October 9, 2023. (After Fall Break)

**\*Please remember to give our Agaves staff a heads-up at drop off if your child has peanuts or tree nuts in their lunch. This helps us keep everyone safe through our seating plan at lunchtime. Thank you!**

## Pumpkin Time!

### *Our October Treats*

The Agaves will have the opportunity to make and eat different pumpkin treats this month. We will be asking for some bigger-kid help to bake our treats and look forward to tasting pumpkin seeds, having pumpkin bread for snack and trying pumpkin in many different ways throughout the month.

We will share recipes with our families as we try new things for our October snacks.

# Moments From September

## September Pics

Pictures: The Agaves using the Family Figure replicas; Camilo's first day in the Agaves Room; Daisy is visiting the Palo Verdes class!; Mai, Lilly and Daisy reading together; The Agaves working on the Fall Festival art project with Ms. Katie and Ms. Holly; Matteo, Lilly, and Mai with Ms. Annie and the Red Tail Hawk's Turtle.
