

# Agaves January Newsletter

The Agaves are so excited to have welcomed new families and friends to the Agaves this month! Please give a warm welcome to Muniru Ali Dolo, we are so grateful to have him here in the Agaves. Also give a welcome back to the Ames family and our new friend Wiley! The children have enjoyed showing their new friend around the classroom and modeling the routine here in the Agaves.

The Agaves this month have enjoyed learning about the ocean and sea animals! The children have been naming different sea animals in Spanish and English with our picture language cards.

Camilo, Nathaniel, and Andrew naming sea animals with Ms.Selda

The children have been challenging themselves with our new goldfish puzzle and sea animal theme stamps. We also have enjoyed singing songs ocean themed like “slippery fish” and “baby beluga!”

The Agaves have been enjoy hearing new sounds and trying their own music independently with our new instruments on the shelf called castanets and jingle bells!

The children have working on taking care of the environment by watering plants, table scrubbing, and sweeping in the outdoor and indoor environment!

Murphy table scrubbing

# February

The Agaves look forward to celebrating the love of February with baking, group crafts, and reading love themed books!

We look forward to learning about vegetables as well with our morning snacks as Avocado toast, adding vegetable food preparation, and language cards!

Thank you for all the support from the Agave families and we look forward to this month.
