

AGAVES APRIL

newsletter p. 1

March Review

In March, we welcomed new friends, said goodbye for now to some of our oldest ones, and we celebrated Julian's 'Terrific Two' Birthday. The Agaves enjoyed learning about and celebrating the start of Ramadan, St. Patrick's Day, and Easter. The children enjoyed adding many new library books to our shelves, replicas of pollinators and insects, and new fruit beading work to the PSM shelf!

...

We continued the theme of Spring and Vegetables and the Agaves were very excited to see a dump truck at work outside of our playground when then Arizona Worm Farm delivered soil and worms to the AZ Eagles' Community Garden. The children got to practice very gentle touches with the worms and we talked about how they are beautiful animals that help to keep our gardens healthy.

Welcome!

Welcome to Rocco and the Carovillano family, and Anna Mae and the Hansen Family! We are so happy to have two new Agaves start with us in March! Rocco and Anna Mae both have big sisters in Elementary at Keystone.
