

# Diamondbacks April Update

Dear Parents of the Diamondbacks,  
April is here! We have much to look forward to this month!

## Testing

April 1st through April 5th, our students will be taking the AASA. Please remember good sleep and healthy food is vital! Each child will receive one piece of gum and a couple pieces of chocolate each day as a small help in keeping their brains awake and engaged. Please let me know if you would prefer to send an alternative.

Friends for Lunch -  
Temperance, Rae,  
Helena, Ava, and Alani  
enjoy their noontime  
meal plein air :)

## Washington DC Research

Over the few weeks following testing, our students will be choosing and preparing their research topics for our whole group going out to Washington DC. They will put all of their research practice from throughout the school year to the test while they visit our nation's capital and learn more about where our country's most official decision-makers do their work!

Lorenzo and Sam  
lock in for some  
shared  
handwork: Can  
they solve this  
puzzle?

## Important Dates

AASA 4/1 - 4/5  
Total Solar Eclipse 4/8  
Keystone Spirit Week 4/8 - 4/12  
Elementary Mercado 4/12  
Keystone Appreciation Day 4/13
