

Diamondbacks

October Update

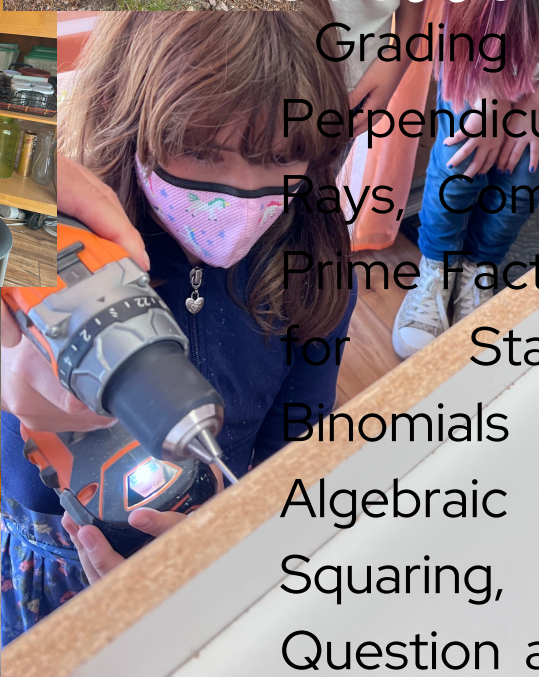

Welcome Fall

When we thought we were busy last month we had no idea! From planning our camping trip, going out to Mt. Lemmon, and from starting our Fall Festival preparations (thank you Gen and Scott Kennedy!) to seeing our basket come together (thank you Nisa!), busy doesn't begin to cover it! On top of all this, the children have been doing research, having lessons, caring for the environment, attending music and art specials, writing birthday compliments, and doing follow up... the list goes on!

Lessons

Grading on the Tone Bars, Perpendicular and Oblique Rays, Common Multiples and Prime Factors, Word Problems for Statistics, Squaring Binomials and Trinomials, Algebraic Formula for Squaring, Coordinate Plane, Question and Answer Activity, Making a Scroll, Designs with Metal Insets, Native Americans, Major Scale Pattern Strip, Divisibility by 3, 6, and 9, Geometric Construction, Absolute Value, Writing Biographies, and Handwork...so much Handwork!

Important Dates

- 2-6 Fall Break
- 21 Annual Art Walk
- 26 Diamondbacks
- Potluck 27 Early Release
