

October Update

Classroom Update

October will bring outdoor recess (that's a big one), research on human biology, the end of a big writing project about biographies, a setting up a garden.

Important Dates

Fall Break 10/2-10/6
Welcome Back Sergio 10/2
Fall Festival Art Walk 10/21
Early Release 10/27

Lessons

Cooler weather means more work outside and the perfect time to dive into the beautiful, Montessori botany lessons. This will include setting up our garden. We will continue work with fractions, decimals, reading and creating charts and graphs, three paragraph essays, literature analysis, history question charts and timelines, and more.

Birthdays

Sophia S.
Zachary O.

*Children may bring ingredients to cook or bake a treat for the class or they can donate a book to the classroom and our kitchen crew will bake for them!

Hard at Work
