

February Update

In the Classroom

We are looking forward to this long month of lessons. The students are engrossed in lessons with abstract fractions, area formulas, and we finished our novel "Carry on Mr. Bowditch"

Important Dates

8th- Scorpion's Play and Potluck

16th- School is in session

18th- President's Day no school

22nd- Coyote's Play and Potluck

March 1- Early Release

Lessons

To begin the month we will have a two week focus on poetry. The children are encouraged to pick a poem and put it to memory. We will also work with reading comprehension and critical thinking applied to our on going history lessons about life in the 13 colonies. We have begun new chapters in squaring, decimals, word problems, and botany and geography.
