## WE NEED DONATIONS!

### HOW IT WORKS

The Buy It Now Boutique is similar to a silent auction, but with no bidding - each item has a set price and the first person to claim the item, "wins" it.

- The Boutique items will be displayed at the Fall Festival.
- To encourage buyers, items are usually priced below retail value (30-60% off).
- Any Boutique items that do not sell during the event will be posted online.

**FORMS DUE:  
OCT. 14**
